MEMORANDUM

VERNON'S 1961

CITY OF OSHAWA

Alphabetical Directory

EXPLANATION

1. The wife's name is shown in brackets following the husband's name: Smith Wm R (Mary E).
 2. A widow is normally listed under her own given name, with the name of her deceased husband in brackets: Smith Mary E (wid Wm R).
 3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in light face capital letters are those of proprietors, partners or executives of these firms.
 4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B Scott, Wm Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
 5. The householder or head of the house (owner or tenant) is indicated by h preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (*).
 6. The information in this directory has been gathered from original sources and every effort has been made to ensure its accuracy; the publishers, however, assume no responsibility for any errors.

TOWN OF WHITBY

Alphabetical Directory

EXPLANATION

1. The wife's name is shown in brackets following the husband's name: Smith Wm R (Mary E).
 2. A widow is normally listed under her own given name, with the name of her deceased husband in brackets: Smith Mary E (wid Wm R).
 3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in light face capital letters are those of proprietors, partners or executives of these firms.
 4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B Scott, Wm Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
 5. The householder or head of the house (owner or tenant) is indicated by b preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (*).
 6. The information in this directory has been gathered from original sources and every effort has been made to ensure its accuracy; the publishers, however, assume no responsibility for any errors.
-
